Sommario/riassunto	Can philosophy help ordinary people confront their personal or interpersonal problems of living? Can it help a couple whose marriage is on the rocks, or someone going through a midlife crisis, or someone depressed over the death of a significant other, or who suffers from anxiety about making a life change? These and many other behavioral and emotional problems are ordinarily referred to psychologists, psychiatrists, clinical social workers, or other mental health specialists. Less mainstream is the possibility of consulting a philosophical counselor or practitioner. Yet, there is presently a
