Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Following a long tradition of objectification, 20th-century French feminism often sought to liberate the female body from the confines of patriarchal logos and to inscribe its rhythms in writing. Amaleena Damle addresses questions of bodies, boundaries and philosophical discourses by exploring the intersections between a range of contemporary philosophers and authors on the subject of contemporary female corporeality and transformation.
