| Sommario/riassunto   | The Analytic Field and its Transformations presents a collection of articles written jointly by Antonino Ferro and Giuseppe Civitarese over the last few years. All revolve around the post-Bionian model of the analytic field (BFT). Indeed, analytic field theory is emerging as a new paradigm in psychoanalysis. Going hand-in-hand with this is an ever-growing interest in Bion in general. Bion mounts a systematic deconstruction of the principles of classical psychoanalysis. His aim, however, is not to destroy it, but rather to bring out its untapped potential and to develop ideas that have remained  |
