Sommario/riassunto	Das englischsprachige Handbuch bietet einen systematischen Überblick über den aktuellen Stand der internationalen Forschung zur Narratologie. In detaillierten Einzeldarstellungen erläutern namhafte Narratologen aus dem In- und Ausland 34 zentrale Termini. Die Artikel stellen eigenständige Forschungsbeiträge dar und sind in vergleichbarer Weise strukturiert: Sie enthalten jeweils eine knappe Definition sowie eine ausführliche Erläuterung des betreffenden Begriffs, im Hauptteil referieren und kritisieren sie die

unterschiedlichen Forschungspositionen in ihrer historischen Entwicklung und weisen Desiderate auf, um abschließend ausgewählte bibliographische Hinweise zu geben. Zeitlich versetzt zur zitierfähigen Druck- soll eine Online-Version mit Kommentarfunktion erscheinen. Der anhaltenden Entwicklung des Narratologie-Diskurses wird mit regelmäßigen Erweiterungen und Aktualisierungen des Handbuchs Rechnung getragen.

2. Record Nr.	UNINA9910787473603321

## Sommario/riassunto

This third volume in the ten-volume series covers the career of Henry Clay from the Second Session of the Sixteenth Congress, where he engineered the second Missouri Compromise, to the presidential election of 1824, when he found himself eliminated as a candidate. Upon his return from Congress in 1821, Clay practiced law and interested himself in Transylvania University, among other things. Elected again to the House of Representatives and to the Speakership in the Eighteenth Congress, Clay resumed his leadership in national affairs; his concerns at this period were principally with the Monroe Doctrine, the Spanish and Greek revolutions, and internal improvements and the tariff. A continuing thread in the volume is the presidential campaign of 1824. Clay's correspondence illustrates the changes in political techniques brought about by the emergence of the Jacksonian type of campaign. Sectionalism, already revealed as a danger to the Union, continued as an important issue. Clay's optimistic anticipation of his election of course proved incorrect, and the volume ends with Clay in the powerful but uncomfortable position of being able, by throwing his support to one of three candidates before the House of Representatives, to choose the next President of the United States.
