Note generali	Previous ed.: Aldershot: Ashgate, 2003.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	Can the study of philosophy impact upon an individual's way of life? Philosophy teachers might argue that there exists a form of ancient-modern dichotomy in which the 'ancients' believed philosophy could have an impact, whereas the 'moderns' refute such a notion. John Sellars addresses this contentious issue.
