Note generali	Title from publisher's bibliographic system (viewed on 05 Oct 2015).
Nota di bibliografia	Includes bibliographical references (pages 302-318) and index.
Nota di contenuto	part one. Feathers, fleece and dust of gold -- part two. Whirlwind and calm.
Sommario/riassunto	A History of Victoria is a lively account of the people, places and events that have shaped Victoria, from the arrival of the first Aboriginal peoples through to the present day. In his inimitable style, Geoffrey Blainey considers Victoria's transformation from rural state to urban society. He speculates on the contrasts between Melbourne and Sydney, and describes formative events in Victoria's history, including the exploits of Ned Kelly, the rise of Australian Football and the Olympics of 1956. Melbourne's latest population boom, sprawling suburbs and expanding ethnic communities are explored. Blainey also casts light on Victoria's recent political history. This edition features sections on the Black Saturday bushfires of 2009, the end of the drought and the controversy surrounding the Wonthaggi desalination plant. New illustrations, photographs and maps enrich the narrative. Written by one of Australia's leading historians, this book offers remarkable insight into Victoria's unique position within Australian history.
