Sommario/riassunto	The exploration of the contributions is made with regards to the title in hand by the thought and practice of the global movement associated with the Turkish Muslim scholar Fethullah Gulen. The importance and

distinctiveness of teaching of Gulen and the practice of the movement is that it is rooted in a confident Turkish Islamic heritage while being fully engaged with modernity. It offers the possibility of a contextualised renewal of Islam for Muslims in the modern world while being fully rooted in the teachings of the Qu'ran and the Sunnah of the Prophet. It advocates the freedom of religion
