Mathisen -- Kings, kinsmen and others : the theory and practice of Andean allegiances / Susan Elizabeth Ramirez -- The possibilities of empire : Russian sectarian migration to south

Caucasia and the refashioning of social boundaries / Nicholas B. Breyfogle.

Sommario/riassunto

In *Migration and Membership Regimes* editors Ulbe Bosma, Gijs Kessler and Leo Lucassen bring together ten essays in an analytical framework which looks beyond the Transatlantic migration of the nineteenth and twentieth centuries in a deliberate attempt to incorporate the experience of earlier periods and other continents into historical migration studies. The focus of analysis is on the mechanisms of interaction between polities, from city-states and emerging statehoods to empires, and migrants joining or taking over these polities, by force, choice or co-optation. It reconceptualises the migrant-state relationship as an engagement over the terms of membership and explores the variety of different outcomes this has had across time and space. Contributors include: Nicholas Breyfogle, Derek Heng, Ralph W. Mathisen, Christel Müller, Mu-chou Poo, Susan Elizabeth Ramírez, Ibrahima Thiaw, Maartje van Gelder, Mark D. Varien.
