Sommario/riassunto	Explains the four dimensions of effective leadership for leaders in the public sphere. There is a wealth of advice available for corporate leaders, but little in the way of leadership guidance for those in government agencies. <i>Leading Forward</i> fills that gap by providing a development framework and assessment tool based on the four dimensions of effective leadership: empowerment, fairness, leaders, and supervisors. These four dimensions are critical competencies that leaders must develop in order to succeed now and in the future. Based on years of working with agency leaders at
