Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Sommario/riassunto	Taylor's neutral account of U.S. gun culture never loses sight of the fact that guns are all around us. With millions of guns and gun owners, it is imperative that policy and future research pertaining to guns consider the relative cultural and symbolic value that gun owners place on their guns. Taylor's candid, emotional and occasionally funny research explores the symbolic meaning of guns and the ways in which the meaning assigned to guns influences gun ownership and use. Some of his more interesting findings center around conversations with gun collectors and enthusiasts about a series of i
