Sommario/riassunto	Education and Racism is a concise and easily accessible primer for introducing undergraduate and graduate students to the field of race and education. Designed for introductory courses, each chapter provides an overview of a main issue or dilemma in the research on racial inequality and education and the particular approaches that have been offered to explain or address them. Theme-oriented chapters include curriculum, school (re)segregation, and high stakes testing as well as discussions on how racism intersects with other forms of marginality, like socio-economic status. The focus on particu
