Sommario/riassunto	The 1990 election in New Zealand produced the biggest landslide in 50 years, and Voters' Vengeance uses comprehensive survey research to explore why New Zealand voters reacted in this way. The answers to over 2000 questionnaires allow the sophisticated analysis of voter behaviour. The authors discuss the increasing volatility of New Zealand politics, the shifts in party commitment, reactions to Rogernomics and other Labour policies, the growth of third-party support, and leadership issues such as the environment, defence and the role of women. Tables, graphs and figures are an essential aspect
