Sommario/riassunto	This book explores the origins, extent and implications of this revival in the fortunes of private landlordism. It presents an in-depth, scholarly analysis of private landlords, the rationales for and ways in which governments have sought to revitalise investment in residential lettings, and their success in doing so. It also assesses the extent to which landlordism has been transformed in recent years and the lessons for policy that can be learned from this experience. The book draws on the extensive research into private landlords conducted by the authors over the past two decades. This in

Sommario/riassunto	The Postcolonial Historical Novel is the first systematic work to

examine how the historical novel has been transformed by its appropriation in postcolonial writing. It proposes new ways to understand literary realism, and explores how the relationship between history and fiction plays out in contemporary African and Australasian writing.
