The role of public opinion in American democracy has been a central Sommario/riassunto concern of scholars who frequently examine how public opinion influences policy makers and how politicians, especially presidents, try to shape public opinion. But in Speaking with the People's Voice: How Presidents Invoke Public Opinion, Jeffrey P. Mehltretter Drury asks a different question that adds an important new dimension to the study of public opinion: How do presidents rhetorically use public opinion in their speeches? In a careful analysis supported by case studies and discrete examples, Drury
