With an

Sommario/riassunto

With the rapidly developing globalization of various sectors of modern life, individuals, organizations, and nations are becoming increasingly aware of the ways in which cultural diversity may not only be a potential cause of conflict but also a source of growth, creativity, and inspiration. If, traditionally, intercultural mediation has been understood as a conflict-solving strategy or as a means to facilitate communication between individuals from different cultural backgrounds, Bridging Culture aims at providing a framework and a set of theoretical reflections towards a larger vision o
