The Work of Theorizing / Karl E. Weick; 9. Susan Sontag and Heteroscedasticity / James G. March Afterword / Neil GrossNotes; Bibliography; Index
Sommario/riassunto	All social scientists learn the celebrated theories and frameworks of their predecessors, using them to inform their own research and observations. But before there can be theory, there must be theorizing. Theorizing in Social Science introduces the reader to the next generation of theory construction and suggests useful ways for creating social theory.What makes certain types of theories creative, and how does one go about theorizing in a creative way? The contributors to this landmark collection-top social scientists in the fields of sociology, economics, and management-d
