Sommario/riassunto

There is an urgent need for more systematic and robust legal and economic thinking about sovereign finance and human rights. This edited collection aims to contribute to filling this gap.

Writing and Widowhood, 1880-88; 11. Self Sovereign, 1889-1902; METHODOLOGICAL NOTE: Stanton in Psychological Perspective; APPENDICES; Abbreviations; Notes; Index
Sommario/riassunto	The first comprehensive, fully documented biography of the most important woman suffragist and feminist reformer in nineteenth-century America, In Her Own Right restores Elizabeth Cady Stanton to her true place in history. Griffith emphasizes the significance of role models and female friendships in Stanton's progress toward personal and political independence. In Her Own Right is, in the author's words, an ""unabashedly 'great woman' biography.""

Sommario/riassunto

"Since the Iraq war, the Middle East has been in continuous upheaval, resulting in the displacement of millions of people. Arriving from Afghanistan, Iraq, Palestine, and Syria in other parts of the world, the refugees show remarkable resilience and creativity amidst profound adversity. Through careful ethnography, this book vividly illustrates how refugees navigate regimes of exclusion, including cumbersome bureaucracies, financial insecurities, medical challenges, vilifying stereotypes, and threats of violence. The collection bears witness to their struggles, while also highlighting their aspirations for safety, settlement, and social inclusion in their host societies and new homes"
