Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Sommario/riassunto	This book engages a complex subject that mainline theologies avoid, Indigenous Australia. The heritages, wisdoms and dreams of Indigenous Australians are tormented by the discriminating mindsets and colonialist practices of non-Indigenous peoples. This book gives special attention to the torments due to the arrival and development of the church.
