

1. Record Nr.	UNINA9910787978903321
Autore	Ward Thomas M.
Titolo	John Duns Scotus on parts, wholes, and hylomorphism / / Thomas M. Ward
Pubbl/distr/stampa	Leiden, Netherlands : , : Brill, , 2014 ©2014
ISBN	90-04-27897-4
Descrizione fisica	1 online resource (210 p.)
Collana	Investigating Medieval Philosophy, , 1879-9787 ; ; Volume 7
Disciplina	111/.1092
Soggetti	Hylomorphism
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Preliminary Material -- Introduction -- The Purpose of Prime Matter -- The Ontology of Prime Matter -- How Matter and Form Compose a Substance—Part I -- How Matter and Form Compose a Substance—Part II -- Scotistic Pluralism about Substantial Form—Part I -- Scotistic Pluralism about Substantial Form—Part II -- Contingent Suppositis and Contingent Substances -- The Mereological Status of the Elements in a Mixture -- Why the World is not a Substance -- Scotistic Hylomorphism and the Problem of Homonymy -- Bibliography -- General Index.
Sommario/riassunto	In John Duns Scotus on Parts, Wholes, and Hylomorphism , Thomas M. Ward examines Scotus's arguments for his distinctive version of hylomorphism, the view that at least some material objects are composites of matter and form. It considers Scotus's reasons for adopting hylomorphism, and his accounts of how matter and form compose a substance, how extended parts, such as the organs of an organism, compose a substance, and how other sorts of things, such as the four chemical elements (earth, air, fire, and water) and all the things in the world, fail to compose a substance. It highlights the extent to which Scotus draws on his metaphysics of essential order to explain why some things can compose substance and why others cannot. Throughout the book, contemporary versions of hylomorphism are discussed in ways that both illumine Scotus's own views and suggest ways to advance contemporary debates.
