Sommario/riassunto	The third volume of ""Aspects of the Orange Revolution"" complements the essays of the first two collections providing further historical background on, and analytical insight into, the events at Kyiv in late 2004. Its seven contributions by both established and younger specialists range from electoral statistics to musicology, and deal with, among other issues, such questions as: Why had blatant election fraud not generated mass protest before 2004, but, in that year, did? How was Viktor Yushchenko able to collect enough votes to defeat the establishment candidate Viktor Yanukovych, and become
