Sommario/riassunto	The mall is so old school-these days kids are hanging out on YouTube, and depending on whom you ask, they're either forging the digital frontier or frittering away their childhoods in anti-intellectual solipsism. Kids on YouTube cuts through the hype, going behind the scenes to understand kids' everyday engagement with new media. Debunking the stereotype of the self-taught computer whiz, new media scholar and filmmaker Patricia G. Lange describes the collaborative social networks kids use to negotiate identity and develop digital literacy on the 'Tube. Her long-term ethnographic studies
