Sommario/riassunto	Preschool inclusion is about much more than placing a child in a general education classroom. A network of creative, effective supports must be in place for the child, the teachers, and the program- and this comprehensive textbook shows how to make it happen. Future educators will get a thorough introduction to inclusion supports: evidence-based practices and strategies that help children with

disabilities fully participate in preschool classrooms. With a strong emphasis on collaboration among all members of the education team, this text leads professionals step by step through every aspect of
