Sommario/riassunto	Over 3 million LifeChange studies soldTraining toward HolinessLeviticus was a chisel, fashioning and forming the slaves of Egypt into the people of God. Leviticus was an exercise regimen, a plan for how God's people could embrace God's blessings. Leviticus was a time-out, a pause in the action for training toward holiness.After this time-out, the action continues in the book of Numbers, reminding us how difficult it is for humans to stick to the game plan that brings God's blessings. Together, Leviticus and Numbers paint a picture of the habits of holiness and how committed God is to seeing us become who he created us to be.LifeChangeLifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God's Word.
