Sommario/riassunto	Popular music is with us constantly. It is part of our everyday environment and in global terms it is now perhaps the most universal means of communication. The Global Jukebox is the first comprehensive study of the international music industry at a time of great change, as the entertainment industry acknowledges its ever growing global audience. Robert Burnett provides an international overview of the music business and its future prospects in the UK, Northern Europe and the United States and Canada. He examines the relationship between

Sommario/riassunto

This study objects to explore the experiences of women who are victims of trafficking, and specializes in women from Ethiopia who are taken to the Sudan, particularly through the Metema trafficking route. The study demonstrates the way how the trafficking women victims were trapped by the web of the traffickers, the means of transportations, the manner of treatment throughout the trafficking process, and the forms of exploitations at the arrival point. Moreover, an endeavor is made in order to point out the human rights violations in the case of trafficking. The study is based on a critical re
