Sommario/riassunto	Written by the former chairman and managing director of the American Institute in Taiwan, this book sheds new light on key topics in the history of U.S.-Taiwan relations. It fills an important gap in our understanding of how the U.S. government addressed Taiwan and the Taiwan Strait issue from the early 1940s to the present. One theme that runs through these essays is the series of obstacles erected that denied the people of Taiwan a say in shaping their own destiny: Franklin

Roosevelt chose to return Taiwan to mainland China for geopolitical reasons; there was little pressure on the Kuomintang
