| 1. Record Nr.           | UNINA9910788053503321   |
| Titolo                  | Clovis : on the edge of a new understanding // edited by Ashley M. Smallwood and Thomas A. Jennings   |
| Pubbl/distr/stampa      | College Station, Texas : , : Texas A&M University Press, , 2015<br>©2015  |
| ISBN                    | 1-62349-228-9   |
| Edizione                | [First edition.]  |
| Descrizione fisica      | 1 online resource (378 pages)   |
| Collana                 | Peopling of the Americas Publications   |
| Disciplina              | 970.01/1  |
| Soggetti                | Clovis culture - North America<br>Antiquities, Prehistoric - North America<br>Clovis points   |
| Lingua di pubblicazione | Inglese   |
| Formato                 | Materiale a stampa  |
| Livello bibliografico   | Monografia  |
| Note generali           | Includes index.   |
| Nota di bibliografia    | Includes bibliographical references and index.  |
| Nota di contenuto       | Introduction / Ashley M. Smallwood -- Chronology. The Clovis era radiocarbon plateau / Stuart Fiedel -- Reevaluating the duration of Clovis: the problem of non-representative radiocarbon dates / Mary M. Prasciunas and Todd A. Surovell -- Technology. Fluted point studies in the Far West / Michael F. Rondeau -- Clovis in Idaho: an update on its distribution, technology, and chronology / Kenneth C. Reid, Richard E. Hughes, Matthew J. Root, and Michael F. Rondeau -- Clovis era point production in the Midcontinent / Juliet E. Morrow -- Flaked stone tools of pleistocene colonizers: overshot flaking at the Red Wing Site, Ontario / Metin I. Eren and Adrienne Desjardine -- Clovis bipolar lithic reduction at Paleo Crossing, Ohio: a reinterpretation based on the examination of experimental replications / Brooke M. Morgan, Metin I. Eren, Nada Khreisheh, Genevieve Hill, and Bruce A. Bradley -- A regional perspective on Clovis blades and caching behavior / David Kilby -- A geometric morphometric exploration of Clovis fluted point shape variability / Heather L. Smith and Ashley M. Smallwood -- Subsistence and settlement adaptations. The densest concentration on earth?: quantifying human-mammoth associations in the San Pedro Basin, southeastern Arizona, USA / Jesse A.M. Ballenger -- Clovis landscapes in the greater Southwest of North America / Vance T. Holliday -- Sonoran Clovis groups: lithic technological organization and |

land use / Guadalupe Sanchez, Vance Holliday, John Carpenter, and Edmund Gaines -- From mammoth to bison: changing Clovis prey availability at the end of the Pleistocene / Leland C. Bement and Brian J. Carter -- Clovis adaptations in the Great Plains / Thomas A. Jennings -- Early Paleoindian subsistence strategies in eastern North America: a continuation of the Clovis tradition? or evidence of regional adaptations? / Joseph A.M. Gingerich and Nathaniel R. Kitchel -- North Carolina Clovis / I. Randolph Daniel, Jr. and Albert C. Goodyear -- Concluding thoughts. Clovis culture update / Ted Goebel.
