| Sommario/riassunto | TWI Case Studies: Standard Work, Continuous Improvement, and Teamwork provides the insight of leading experts to assist in the execution of Training Within Industry (TWI)—the game-changing business tool. Presented as a series of case studies from a range of corporations with a variety of products and needs, it illustrates the rebirth of TWI programs in the United States. Demonstrating how TWI |

can benefit any and all organizations regardless of industry, the book details the specific activities decision-makers need to accomplish to successfully incorporate TWI into the business culture—including the Ten Points for Implementing and Sustaining the TWI "J" Programs. The case studies describe the use of TWI Programs at some of the world's leading companies, including:
