

1. Record Nr.	UNINA9910788196703321
Autore	Csiszar Imre <1938->
Titolo	Information theory : coding theorems for discrete memoryless systems / / Imre Csiszar and Janos Korner
Pubbl/distr/stampa	New York, New York : , : Academic Press, , 1981 ©1981
ISBN	1-4832-8157-4
Descrizione fisica	1 online resource (465 p.)
Collana	Probability and Mathematical Statistics
Disciplina	518
Soggetti	Coding theory
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and indexes.
Nota di contenuto	Front Cover; Information Theory: Coding Theorems for Discrete Memoryless Systems; Copyright Page; PREFACE; Table of Contents; INTRODUCTION; Intuitive background; Informal description of the basic mathematical model; Measuring information; Multi-terminal systems; BASIC NOTATIONS AND CONVENTIONS; CHAPTER 1. Information Measures in Simple Coding Problems; 1. SOURCE CODING AND HYPOTHESIS TESTING. INFORMATION MEASURES; 2. TYPES AND TYPICAL SEQUENCES; 3. SOME FORMAL PROPERTIES OF SHANNON' S INFORMATION MEASURES; 4. NON-BLOCK SOURCE CODING; 5. BLOWING UP LEMMA: A COMBINATORIAL DIGRESSION INDEX OF SYMBOLS AND ABBREVIATIONS
Sommario/riassunto	Information Theory
