Nota di contenuto	Law and literature on informed consent -- Analysis of the concept of informed consent : the theory -- Empirical study : methods and results -- Empirical study : discussion -- Limitations of our study and directions for future research -- Afterword : our own view.
Sommario/riassunto	"This book examines informed consent to psychoanalysis. It reviews the law. It examines informed consent as a theoretical matter: e.g., is it possible, is it countertherapeutic? It reports on a survey of analysts. The goal is to shed psychoanalytic light on a concept which has changed the delivery of healthcare"--Provided by publisher.
