with Requirements That Address or Meet Competency -- Appendix H:
Glossary of Abbreviations

Sommario/riassunto

Designing and Integrating a Disaster Preparedness Curriculum: Readyng Nurses for the Worst presents a curriculum blueprint for nurse educators that provides readers with best practices for implementation while avoiding pitfalls and mistakes. Disaster preparation experts Sharon Stanley and Thola Wolanski help ensure that nursing students are prepared to respond to disasters, whether in their own neighborhoods or around the world, by giving nurse educators strategies and solutions for incorporating disaster preparedness into their curricula. -- Publisher
