Sommario/riassunto	Are you tired of being told by others--self-help books included--what you should do? Drs. Allan Zuckoff and Bonnie Gorscak understand. That's why this book is different. Whether it's breaking an unhealthy habit, pursuing that dream job, or ending harmful patterns in

relationships, the key to moving ahead with your life lies in discovering what direction is truly right for you, and how you can get there. The proven counseling approach known as motivational interviewing (MI) can help. Drs. Zuckoff and Gorscak present powerful self-help strategies and practical tools that help you understand why
