Sommario/riassunto	A Fortune 500 company as a pioneer of current gold-mining technology Jack H. Morris details how Newmont Mining revolutionized the gold mining industry and remains today the second largest gold miner in the world. He asserts that Newmont is the link between early gold mining and today's technology-driven industry. We learn how the company's founder and several early leaders grew up in gold camps and how, in 1917, the company helped finance South Africa's largest gold company and later owned famous gold mines in California and Colorado. In the 1960's the company deve...
