| Nota di contenuto       | 'Agchibasie : a three-way conversation on a country path between a scientist, a scholar, and a guide -- The teacher meets the tower warden at the door to the tower stairway -- Evening conversation : in a prisoner of war camp in Russia, between a younger and an older man.   |
| Sommario/riassunto      | First published in German in 1995, volume 77 of Heidegger's Complete Works consists of three imaginary conversations written as World War II was coming to an end. Composed at a crucial moment in history and in Heidegger's own thinking, these conversations present meditations on science and technology; the devastation of nature, the war, and evil; and the possibility of release from representational thinking into a more authentic relation with being and the world. The first conversation involves a scientist, a scholar, and a guide walking together on a country path; the second takes place be |
