Joyner, contributors.
Sommario/riassunto	Transitions: Legal Change, Legal Meanings illustrates the various intersections, crises, and shifts that continually occur within the law, and how these moments of change interact with and comment on contemporary society. Together the essays in this volume investigate

the transformation of US law during moments of political change and explore what we can learn about law by examining its role and its use in times of transition. Whether by an abrupt shift in regime or an orderly progression from one government to the next, political change often calls into question
