Sommario/riassunto	In From Small Screen to Vinyl: A Guide to TV Stars Who Made Records 1950-2000, author Bob Leszczak offers a look at hundreds of stars who performed double duty: as a television performer as well as a recording artist. He looks not only at the show and the performer but the behind-the-scenes dramas that unfolded as each attempted to tackle the two different mediums. Through his interviews with many of these multitaskers, the author has uncovered new, and mostly never before known facts about those who sought to conquer the world of vinyl.
