Sommario/riassunto	This book offers an overview of the emotional care given by midwives to women based on the literature reviews and research undertaken by Sue Barker. Its chapters are mostly based around the questions she asked herself when exploring the area: What is motherhood? Who supports women at this time? What is emotional care? What are the experiences of midwives offering emotional care? What is emotion work? How does emotional care help women? She considers a wide range of literature sources to under...
