

1. Record Nr.	UNINA9910788453003321
Titolo	Harris & Harris' radiology of emergency medicine [[electronic resource] /] / edited by Thomas L. Pope Jr. ; co-editor John H. Harris Jr
Pubbl/distr/stampa	Philadelphia, : Wolters Kluwer Health/Lippincott Williams & Wilkins, c2013
ISBN	1-4511-7796-8 1-4698-2821-9 1-4698-2150-8
Edizione	[5th ed.]
Descrizione fisica	1 online resource (1043 p.)
Altri autori (Persone)	PopeThomas Lee, Jr. HarrisJohn H., Jr., <1925->
Disciplina	616.07/572
Soggetti	Emergencies Emergency Medicine - methods Radiography - methods Diagnosis, Radioscopic Medical emergencies
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Rev. ed. of: Radiology of emergency medicine / John H. Harris Jr., William H. Harris. 4th ed. c2000.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Skull fractures / Ken F. Linnau and John H. Harris Jr. -- Imaging of brain trauma / J. Keith Smith, Diane Armao, and Mauricio Castillo -- Nontraumatic intracranial emergencies / Benjamin Y. Huang and Mauricio Castillo -- Imaging maxillofacial trauma / Mark P. Bernstein, Alexander B. Baxter, and John H. Harris Jr. -- Cervical spine injuries / Richard H. Daffner and John H. Harris Jr. -- The pediatric cervical spine / Leonard E. Swischuk and John H. Harris Jr -- Imaging thoracolumbar spine trauma / Mark P. Bernstein, Alexander B. Baxter, and John H. Harris Jr. -- Shoulder, including clavicle and scapula / John H. Harris, Jr. -- Elbow / Sarah Yanny, Eugene McNally, and Thomas L. Pope Jr. -- Wrist / Robert SD Campbell and John H. Harris Jr. -- Hand / Emma L. Rowbotham and Dominic A. Barron -- Chest : nontrauma / Bruce E. Lehnert and Eric J. Stern -- Chest : trauma / John H. Harris Jr. and Stuart E. Mirvis -- Abdomen : nontraumatic emergencies / Amanda

Mignon Jarolimek and John H. Harris Jr. -- Abdomen : traumatic emergencies / Jorge Soto ... [et al.] -- Gynecologic, obstetrical, and scrotal emergencies / Robert D. Harris, Roberta Diflorio Alexander, and John H. Harris Jr. -- Pelvis, including lower urinary tract trauma / John H. Harris Jr. -- Acetabulum / Anthony J. Wilson and John H. Harris Jr. -- Hips and proximal femora / John H. Harris Jr. -- Knee / Ne Siang Chew and Philip Robinson -- Ankle / Anthony Wilson and John H. Harris Jr. -- Foot and heel / Dominic Barron, K. Partington, and John H. Harris Jr. -- Diaphysis / Johnny U.V. Monu and John H. Harris Jr.

Sommario/riassunto

"Edited by a renowned musculoskeletal radiologist and an internationally recognized Emergency Radiologist, and enhanced by contributions from invited acknowledged authorities, the Fifth Edition of this comprehensive reference is unsurpassed as a source of practical information on imaging of the acutely ill and injured patient during the acute phase of their emergent admission. Ideal for both the radiologist and for all members of the emergency team, the text builds upon current applications of plain-film radiography--while adding substantial coverage of other modalities, including MPCT and MRI. The fifth edition has again strived to keep up with the changing technology in diagnostic imaging in addition to emphasizing current practice in EDs and trauma centers. New chapters on imaging of skull fractures, maxillofacial trauma, chest trauma, and the acetabulum have been added to this volume to emphasize the importance of these areas with respect to imaging techniques and changes in clinical diagnosis and practice. In addition to redefining the importance of standard radiographs, the fifth edition has incorporated high-quality multidetector computed tomographic (CT) images, 3-D reformations, and magnetic resonance imaging to provide new information with evolving clinical practice"--Provided by publisher.
