Gonzalez -- "Racism is not intellectual" : interracial friendship, multicultural literature, and decolonizing epistemologies / Paula M.L. Moya -- Mapping Latina/o futures. Epistemology, ethics, and the time/space of decolonization : perspectives from the Caribbean and the Latina/o Americas / Nelson Maldonado-Torres -- Thinking bodies : the spirit of a Latina incarnational imagination / Mayra Rivera Rivera -- Decolonizing religion : pragmatism and Latina/o religious experience /

Christopher Tirres -- The ethics of (not) knowing : take care of ethics and knowledge will come of its own accord / Eduardo Mendieta.

Sommario/riassunto

This anthology gathers the work of three generations of Latina/o theologians and philosopher who have taken up the task of transforming their respective disciplines from the standpoint of liberation and what has been called the "decolonial turn" in social theory, theology, and philosophy. It articulates a new point of departure for the self-understanding of not simply Latina/os, but also US citizens in this new age of post-colonialism and globalisation.
