Sommario/riassunto	In God and the Public Square, Elijah Dann discusses the central issues on the forefront of ethical debate among Christian conservatives in North America. He discusses the hot-button issues of the day, including same-sex marriage, abortion, stem cell research, euthanasia, and the role of religion in politics. Dann offers a calculated response to the conservative Christian right's viewpoint and discusses the various obstacles that stand in the way of using religious values as the basis for public policy and legislation.
