Sommario/riassunto

New Media, Old Regimes: Case Studies in Comparative Communication Law and Policy, by Lyombe S. Eko, is a collection of novel theoretical perspectives and case studies in comparative communication law. Through these cases, Eko describes, explains and illustrates how a number of nation-states, transnational, and international organizations employ culture-specific "distillations" of universal principles to resolve tensions between freedom of expression and other societal interests in real space and cyberspace. This study provides essenti
