REED; CONTRIBUTORS

Sommario/riassunto

Turkey and the United States have been critically important to each other since the beginning of the Cold War, although their relationship has faced a rocky road in the aftermath of developments following 9/11. Because scholarship on its roots has been relatively limited, Americans and Turks, as well as others who focus more generally on geopolitical alliances, would profit from an in-depth understanding of a history that spans the period from the beginning of the 19th century to the end of...
