**Sommario/riassunto**

This book offers original theoretical accounts and a wealth of descriptive information concerning modality in present-day English. At the same time, it provides fresh impetus to more general linguistic issues such as grammaticalization, colloquialization, or the interplay between sociolinguistic and syntactic constraints. The articles fall into four sections: (a) the semantics and pragmatics of core modal verbs; (b) the status of emerging modal items; (c) stylistic variation and change; (d) sociolinguistic variation and syntactic models. The book is of considerable value to students and teachers of English and Linguistics at undergraduate and graduate level worldwide.

Refine your leadership effectiveness and expand your leadership legacy! Whether you're an aspiring leader, or you consider yourself a veteran searching for a fresh perspective, leadership in an age of

Well suited for any organizational setting, the ideas and action steps offered in *Reaching the Heart of Leadership* aim to re-ignite the passion and determination in individuals who continue to make a difference in the lives of those serve. "Avis Glaze's views on leadership are unique and powerful for one main reason. She puts things together that people don't usually think are compatible, thereby reaching new heights and depths of insight and efficacy. She combines empathy and determination; respect and candour; high expectations and persistent patience. The bottom line is as close to 100% success as possible, with every percentage point below 100 unacceptable. Accordingly, *Reaching the Heart of Leadership* is chock full of unusual insights. For each chapter there are lessons learned, and action steps to be taken, but understand that none of this is about slogans, and all of it has been tested and learned through hard practice. Avis does wear her heart on her sleeve; but also she wears it in every action relationship she encounters. For Avis, every value is a competency and every competency is a value. Read this book and be inspired to be the best leader you can ever be." Michael Fullan, Professor Emeritus OISE/University of Toronto, Ontario, Canada
