Sommario/riassunto

The Milosevic Trial - An Autopsy provides a cross-disciplinary examination of the most controversial war crimes trial of the modern era and its contested legacy for the growing fields of international criminal law and post-conflict justice. The international trial of Slobodan Milosevic, who presided over the violent collapse of Yugoslavia - was already among the longest war crimes trials when Milosevic died in 2006. Yet precisely because it ended without judgment, its significance and legacy are specially contested. The contributors to this volume, including trial participants, area specialist
