Sommario/riassunto	Carol Milford is an exuberant, liberal-hearted woman who marries a man from a small town. After they marry they settle in his home-town, Gopher Prairie, which Carol finds narrow and ugly. She throws herself into reforming the town, but is met only with derision by her own class. She decides to leave, but finds that the world outside is just as flawed as Gopher Prairie. She remains uncowed, however, declaring "'I do not admit that dish-washing is enough to satisfy all women!'"
