Sommario/riassunto	This book covers a unique, yet virtually ignored episode in Irish history-the efforts by intellectuals to influence and shape in a radical way the policies and direction of a major political party. Between 1932 and 1934, Michael Tierney and James Hogan, both university academics, exploited the opportunity offered by the formation of the Blueshirts and Fine Gael to promote their views for an alternative social, economic and political order. This order was inspired by Catholic social teachings,...
