Sommario/riassunto	Ireland is going through changes so rapidly and so dramatically that it

has left many people, both in Ireland and abroad, wondering where it is headed next, as well as leaving some people wondering where it actually came from. *Which direction Ireland?* probes a variety of currents and concepts at play in Ireland, examining geographical, historical, social, political, and literary changes that have taken place in both Ireland and Irish-America. It offers cogent insight into those changes and well-...
