Nota di contenuto	pt. I. Political discourse, media and translation : textual perspectives -- pt. II. Political discourse, media and translation : institutional perspectives.
Sommario/riassunto	This volume addresses the role played by translation in international political communication and news reporting and brings to light the usually invisible link between politics, media, and translation. The contributors explore the interrelationship between media in the widest sense and translation, with a focus on politics texts, institutional contexts, and translation policies. These topics are explored from a Translation Studies perspective, thus bringing a new disciplinary view to the in...
