Sommario/riassunto	The chapters collected in this book generate discussion about the intersections of feminisms and rhetorics, as well as the ways in which

those intersections are productive. This collection focuses on the locations of feminist rhetorics, the various discourses that invoke ""feminism"" or ""feminist,"" and the scholarship that provokes, challenges, and deliberates issues of key concern. In focusing on challenge and location, this collection acknowledges the academic and socio-discursive spaces that...
