Collana	Stanford Nuclear Age Series
Disciplina	355.02/170941
Soggetti	Nuclear weapons - Government policy - Great Britain - History - 20th century Great Britain Foreign relations 1964-1979
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- Acknowledgments -- Abbreviations -- Introduction -- 1. A British Bomb -- 2. The Ambiguities of Opposition -- 3. Constructing the Atlantic Nuclear Force -- 4. The Recurring Death of Nuclear Sharing -- 5. Cooperation as Consultation -- 6. Proliferation Politics -- Conclusion -- Epilogue -- Notes -- Bibliography -- Index
Sommario/riassunto	Drawing on primary sources from both sides of the Atlantic, Britain and the Bomb explores how economic, political, and strategic considerations have shaped British nuclear diplomacy. The book concentrates on Prime Minister Harold Wilson's first two terms of office, 1964-1970, which represent a critical period in international nuclear history. Wilson's commitment to the Non-Proliferation Treaty and his support for continued investment in the British nuclear weapons program, despite serious economic and political challenges, established precedents that still influence policymakers today. The continued independence of Britain's nuclear force, and the enduring absence of a German or European deterrent, certainly owes a debt to Wilson's handling of nuclear diplomacy more than four decades ago. Beyond highlighting the importance of this period, the book explains how and why British nuclear diplomacy evolved during Wilson's leadership. Cabinet discussions, financial crises, and international tensions encouraged a degree of flexibility in the pursuit of strategic

independence and the creation of a non-proliferation treaty. Gill shows us that British nuclear diplomacy was a series of compromises, an intricate blend of political, economic, and strategic considerations.
