Sommario/riassunto	The Autobiography of Benjamin Franklin , which Franklin himself called his Memoirs, is the unfinished record of his life written between 1771 and 1790. It has become one of the most well-known and influential autobiographies in history, and has been praised both as a historical document and a piece of literature in its own right. William Dean Howells declared that ""Franklin's is one of the greatest autobiographies in literature, and towers over other autobiographies as...
